Profile Number: 245

Location: Masterton

Background

The Education Review Office reviews schools that are signatories to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020.

Findings

The school is a signatory to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self-review of its implementation of the Code.

At the time of this report there were 13 international students attending the school, and no exchange students.

All international students are boarders on site. They appreciate the environment of the campus and the access they have to the school's arts and sports facilities. They are immersed in all aspects of school life and make friends with local peers. International students are supported to meet their learning goals and receive good guidance for transition to university.

The board and proprietor receive monthly reports on provision for international students. This could be more evaluative to indicate areas of self-review for ongoing improvement.
