

COURSE INFORMATION

Subject: AGRIBUSINESS

Head of Subject: MS DALLAS PAHIRI

| | Year 11 | Year 12 | Year 13 |
|-----------------------|------------------------|--|--|
| Course Content | Not offered at Year 11 | <p>Agribusiness is applied science and commerce looking at how humans choose to use technical knowledge and limited resources such as land, labour, capital and management to produce primary and secondary products and distribute them for consumption to different people over time. Agribusiness is the understanding that the ability to grow primary products is not sufficient to make growers succeed and that there are many other elements which are also important, such as human resources, strategic management, marketing, policy, financial planning, economics, and natural resources.</p> <p>It comprises of 4 strands: Agri-Innovation, Agri-Marketing, Agri-Management and Finance, and Agri-Science. Underpinning these four strands are Future Proofing, Innovation and Growing Value.</p> | |
