

GENERAL RULES & EXPECTATIONS

By law students are under the authority of the school from the time they leave home until they return each school day. Furthermore, when they are in school uniform at any time or on an organised school activity eg school trip, the school rules and expectations apply. Their behaviour and appearance is therefore the school's concern throughout these times.

ATTENDANCE AND PUNCTUALITY

All students are required to attend school on the prescribed term dates.

- Punctuality is expected on all occasions.
- All students must attend each morning from 8.20am, unless other arrangements have been made.
- If a student is late for school s/he must bring a note from home to explain the lateness and check into the school office on arrival.
- If a day student is to be absent from school for the day, for sickness/emergency, a parent or guardian should ring the office and leave a message on the Absentee line, or send an absence message via the Rathkeale App. **This should happen on each day that a student is absent.**
- Absence for reasons other than sickness/emergency situations should be requested in advance by contacting the Principal via email or the Principal's secretary.
- Appointments for dentist, driving lessons etc should not normally be made during the school day. When this is necessary students must check out at the school office on leaving and check in on return.

The consumption and acquisition of alcohol by students on school property, or when they are in school uniform at any time, or on an organised school activity e.g., a school trip, is prohibited. It is emphasised that the school sees itself as having a prime responsibility with regard to enforcing the Law of the Land on the purchase and consumption of alcohol. Similarly, in order that students be aware of the health implication, an education programme beginning with the Year 9 & Year 10 Health Education course, is included in the school curriculum.
