COURSE INFORMATION **Subject: DANCE**

	Year 12
Introduction	Dance encourages creative thinking, self-discipline, attention to detail, collaboration, and teamwork which are vital skills in any workplace. Students often develop in dance from beginner to expert level and grow to be confident and well-rounded dancers, no matter their previous experience or training. Dance is a hands-on environment that is exciting and engaging.
Course Content	Performance skills in Musical Theatre Dance (jazz and modern musical theatre). Students explore choreographic processes and perform a repertoire of dances. Students extend their choreographic skills through the making of group and solo dances. They develop ideas and manipulate choreographic tools to communicate intention and emotion. Students study a professional dance performance and explain how ideas are communicated through dance elements, devices, and technologies. Students learn to provide evidence to support an argument. Or Students will demonstrate understanding of a dance genre or style in context with supporting evidence.
